

# DINE OUT. DO GOOD.

## HOW IT WORKS:

Events are hosted once during the week on either Wednesday or Thursdays. New Fortune will create the promotional flyer, and your organization will spread the word to your supporters to make your DINE OUT. DO GOOD. day a **success!**

***It's important to note that this fundraiser is not a percentage of our entire day's revenue.*** Your organization earns **20%** of qualified sales from dine-in, carry-out, DoorDash, or gift card purchases when the event flyer is presented or your organization is mentioned. The more supporters you bring in, the greater your fundraising dollars!

## TIPS FOR A SUCCESSFUL BENEFIT DAY:

- Share the flyer on your organization's social media pages.
- Email the flyer to your group, families, and friends.
- **For DoorDash supporters**, please remind them to add a note in the order comments that they are dining out for your organization.
- **For gift card purchases**, supporters must let us know they want their purchase to count toward your fundraiser.
- Build excitement by creating a Facebook event or posting countdown reminders. We try to share on our socials too!

**NEW FORTUNE IS  
PROUD TO SUPPORT  
OUR COMMUNITY!**

AS OF 08/25
