

DINE OUT. DO GOOD.

NEW FORTUNE IS PROUD TO SUPPORT OUR COMMUNITY!

Events are held once during the week on Wednesday or Thursdays. New Fortune will make the flyers, and your organization will promote your DINE OUT. DO GOOD. night!

In turn, your organization will receive 20% of the sales (excluding tax and gratuity) from dine-in or carry-out orders when the event flyer is mentioned or presented!

TIPS FOR A SUCCESSFUL BENEFIT DAY:

- Take advantage of any opportunity to announce your DINE OUT. DO GOOD. event to groups willing to support your cause (i.e. group sporting events, PTO meetings, etc.)
- Use social media! Create a Facebook event and have flyers images available for your supporters. New Fortune will also share your event on our public Facebook page the day of the event!
- Email is a cost effective way to promote your event. Be sure to instruct your supporters to mention or show their flyer in support of the benefit night upon payment (Printed, verbal, or electronic will be accepted!!)
